

## **Rothbury First School PE & Sports Premium Report**

The Government provides £150 million per year to schools to spend on improving the quality of sport and PE for all children. The funding is ring-fenced and can only be spent on PE and sport provision in schools. Rothbury First School has used this funding to ensure that all pupils have access to high quality PE, appropriate sporting competition and opportunities to lead a healthy and active lifestyle.

### **2023-24 Planned PE and Sports Premium Expenditure**

Under the Primary PE and Sport funding initiative, in 2023/24 we will receive £16,000 to support PE and sport in our school. The impact of the funding must be considered in terms of these 5 key indicators. Also included is a carry over of £5,000 from 2022-23 academic year. Our total expenditure for 2023-24 totals £21,000

- The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

**We propose to spend this money in the following ways:**

<b>Amount</b>	<b>Plans:</b>	<b>Impact upon our children (to be added in Summer Term 2024)</b>	<b>Sustainability and suggested next steps</b>
£3000	Provision of a specialist PE teacher in school to deliver high quality PE lessons to our pupils for half a day a week.	Provision of specialist PE teaching has been accessed by all year groups across school.	Children gain from expert skills and knowledge. Staff to participate in and observe PE lessons to build up skills and experience to further support children.
£1000	Purchase of GetSet4PE scheme	All children in school have benefitted from the GetSet4PE scheme. Detailed lessons have been taught using the specialist planning and assessments put in place.	Resources need to be purchased to further enhance the GetSet4PE scheme.
£500	Improve the quality of children's physical education ensuring staff are competent and confident. CPD to enable staff to further sustain PE	Staff have had access to specialist teaching activities and have gained knowledge and experience from this.	Staff build up PE skills through CPD to support future classes.

	skills throughout school.		
£6558	Purchase of sports equipment.		The PE curriculum is enhanced with the provision of purposeful resources that match the coverage of GetSet4PE
£1050	Provision of a specialist Yoga teacher to teach Yoga for three half terms.	Yoga took place for all children in school in Spring term.	As this is an ongoing provision, children will build upon previous skills and knowledge
£2500	Provision of specialised coaches: cricket, football, tennis etc.	Cricket coaching has taken place during this academic year. Trident soccer has provided football coaching to those children who have opted to do the after school activities.	A culture of extra-curricular sport has been developed. The PE curriculum is designed to prepare pupils for competition.
£1552	Support for transport to swimming lessons.	Swimming lessons took place in Autumn and Summer term for all children from Y1 - Y4	Children build on skills from previous lessons and many learn to swim before they leave our school
£1220	Support for children to attend sporting festivals, to include the cost of transport where applicable.	The children have attended some festivals this year at Dr Thomlinsons Middle School.	The PE curriculum is designed to prepare pupils for competition. There is a full timetable of events planned for 2024-25.
£600	Support for bikeability lessons - provision of supervising adults.	Funding for provision was withdrawn and has therefore not taken place.	Plans to run this again next year with an alternative provider.
£600	Provision of balance bike training for Reception and Year 1	Funding for provision was withdrawn and has therefore not taken place.	Plans to run this again next year with an alternative provider.
£600	Support for after-school clubs - provision of facilities	Ballet/Dance/Trident clubs have been taking place weekly	A culture of extra-curricular sport has been developed. The PE curriculum is designed to prepare pupils for competition.

£50	Support for summer soccer camp - provision of facilities	No summer camp has taken place on our site this year.	A culture of extra-curricular sport has been developed. The PE curriculum is designed to prepare pupils for competition.
£550	Support for Forest School - outdoor First Aid certificate	Our Forest school teacher has current outdoor first aid training.	First Aid certificates last for a period of 3 years and a rotation of staff will allow more than one member of staff to be qualified at any one time.
£550	Support for PE - Paediatric First Aid certificate	2 members of staff have had their first aid training refreshed this year.	First Aid certificates last for a period of 3 years and a rotation of staff will allow more than one member of staff to be qualified at any one time.
£670	PE health and wellbeing resources	Additional resources have been purchased to support health and wellbeing during outdoor play times.	Play leaders have been put in place as well as resources provided for playground games. We now need to establish new play leaders. A quiet space has been established with small world toys and books.
